The Earth At Its Knees

Ulcerate

The misguided rise now
Untainted and pure
Stand in ignorance
And fall in neglectIn inherent sorrow
Rip open your heart for me
The undeserving
Grieve for allFrom rise to fall
We preach our dream
Dishonour
With the coldest shoulder
The balance is broken
So with disdain you may burn me forever
In anti-human desperation
This is the horror that binds us allBuried beneath with our martyrs
Buried beneath with our scapegoatsThe earth falls to it's kneesThe misguided rise now
Untainted and pure
Stand in ignorance
Our devotion
Our redemption
Are our own
My eyes are open
