

# The Earth At Its Knees

## Ulcerate

The misguided rise now  
Untainted and pure  
Stand in ignorance  
And fall in neglectIn inherent sorrow  
Rip open your heart for me  
The undeserving  
Grieve for allFrom rise to fall  
We preach our dream  
Dishonour  
With the coldest shoulder  
The balance is broken  
So with disdain you may burn me forever  
In anti-human desperation

This is the horror that binds us allBuried beneath with our martyrs  
Buried beneath with our scapegoatsThe earth falls to it's kneesThe misguided rise now

Untainted and pure  
Stand in ignorance  
Our devotion  
Our redemption  
Are our own  
My eyes are open
