

# Resistencia!

## Fear Factory

HeyThey walk over you  
As if you weren't there  
Equality does not exist  
In our cold life sinceThey don't know who you are  
They don't care  
They don't see that we are  
EverywhereNation under fire  
And they just sit back  
They don't seem to realize  
That we will fight backThey don't know who you are  
They don't care  
They don't see that we are  
EverywhereOut of sight  
Out of mind  
Out of sight  
Out of mindThey walk all over youLook into their eyes  
Make them see their foes  
Thieves are in town, feed your world  
Destruct their fate to blowThey don't know who you are  
They don't care  
They don't see that we are  
EverywhereOut of sight  
Out of mind  
Out of sight  
Out of mindOut of sight  
Out of mind  
Out of sight  
Out of mindOut of sight  
Out of mind  
Out of sight  
Out of mind
