

You Keep Runnin' Away

38 Special

I hear your high-heels
Clickin' down the boulevard
You got your suitcase in hand
Guess you're takin' it hard You swear you'll never
Trust another man
Ah, but I know that you will
It's just a question of when So open up your eyes
To the light
You've been far too alone
For too many nights, oh Someday, someday, somewhere
Love is gonna find you
Somehow, someone
Is gonna beg you to stay But you keep on runnin'
You keep runnin'
You keep on runnin' away I hear it whispered
In the neighborhood
At one time you were the best
It was just understood Then someone came
And took you for a fool
The word is out on the street
That love is looking for you So open up your eyes
To the light
You've been far too alone
For too many nights, oh Someday, someday, somewhere
Love is gonna find you
Somehow, somewhere
Don't look now
I'm comin' up behind you But you keep on runnin'
You keep runnin'
You keep on runnin' away
Yes you do baby So don't be fooled
You got me comin'
I ain't no fool, you keep me runnin'
And I don't know why
No, I don't know why So open up, don't be afraid, baby
Is there someone standin' in our way
Won't you tell me why
Don't you tell me goodbye, oh Someday, someday, somewhere
Love is gonna find you

Somehow, someone
Is gonna beg you to stay, baby
Somehow, somewhere
Don't look now
I'm comin' up behind you
But you keep runnin'
You keep runnin'
You keep on runnin' away
But you keep on runnin'
You keep runnin'
You keep on runnin' away
But you keep on runnin'
You keep runnin'
You keep on runnin' away
But you keep on runnin'
You keep runnin' away
But you keep on runnin'
You keep runnin' away
You keep runnin' away
