Lucifer's Angel

The Rasmus

Behind those eyes lies the truth and grief
Behind those beautiful smiles, I've seen tragedy
The flawless skin hides the secrets within
Silent forces that secretly ignite your sins

[Chorus:]
Fly away
Fly away
From the torch of blame
They hunt you ÃƒÂ¢?? the Lucifer's angel
Never lived
You never died
Your life has been denied
They call you
The Lucifer's angel

Beyond these clouds you can hide all your tears
Beyond this world you'll be safe from their wicked fears
In their hearts they fear your demands
And their minds
Won't accept you, they'll never understand

[Chorus]

On your own
I know you can make it
Truth or bone
I know you can shake it
Survive alone
I know you can take it

[Chorus]

Fly away
Fly away
Fly away
Fly away
Hide away
Hide away
The Lucifer's angel

Fly away
Fly away
Hide away
Hide away
The Lucifer's angel
Fly away
Fly away
Run away
Run away
Hide away
Hide away
Lucifer's angel
