

# Lucifer's Angel

## The Rasmus

Behind those eyes lies the truth and grief  
Behind those beautiful smiles, I've seen tragedy  
The flawless skin hides the secrets within  
Silent forces that secretly ignite your sins

[Chorus:]  
Fly away  
Fly away  
From the torch of blame  
They hunt you ÆfÂç?? the Lucifer's angel  
Never lived  
You never died  
Your life has been denied  
They call you  
The Lucifer's angel

Beyond these clouds you can hide all your tears  
Beyond this world you'll be safe from their wicked fears  
In their hearts they fear your demands  
And their minds  
Won't accept you, they'll never understand

[Chorus]  
On your own  
I know you can make it  
Truth or bone  
I know you can shake it  
Survive alone  
I know you can take it

[Chorus]  
Fly away  
Fly away  
Fly away  
Fly away  
Hide away  
Hide away  
The Lucifer's angel

Fly away  
Fly away  
Hide away  
Hide away  
The Lucifer's angel  
Fly away  
Fly away  
Run away  
Run away  
Hide away  
Hide away  
Lucifer's angel
