

# Stumble & Fall

## Razorlight

I heard that it was a really big deal  
And then I found out it was just nothing at all  
You always say, "It's such a big deal"  
But we both know that that's nothing at all And I'll get over the breaks  
And I'll stumble and fall  
And I'll get over the breaks  
And sometimes stumble and fall You just won't admit that it's all in your hands  
So I have to try so hard to make you understand  
But all you can say is  
"It's just part of the deal" And I never asked you to understand  
How I keep myself to myself in the crush of the crowd  
But all you can say is  
"Who cares? It's just part of the deal" Oh yeah and I'll, yes I get over the breaks  
And I'll stumble and fall  
And I'll get over the breaks  
And sometimes I stumble and fall, yes I Say yes, say yes  
Say yes say no Well I, I get over the breaks  
And I'll stumble and fall  
And I'll get over the breaks  
And I'll stumble and fall Yes, I fall  
Yes, I fall  
I'll stumble and fall
