

# New You

## My Bloody Valentine

Too close, when it's really with me  
Something comes and pins me to the sky  
Too slow, when the moon is with you  
I'll be too and wish you were with me  
To come see Maybe you can say  
Hold and you fall away  
Come back is when tomorrow goes  
Always today, fun we know  
Just like I knew you wanted me to do What can I see  
How can I feel too  
All kinds of new you
