

# Like A Songbird That Has Fallen

## Reeltime Travelers

Paths are there for us to follow, this is gospel I believe  
Angels are around us flying, truth and mercy to receive  
Pictures of uncommon nature, painted by a masters hand  
Draw me ever on life's journey, rendered thus to understand  
As a songbird that is fallen, only to regain the sky  
From this frozen shadow valley, lay my sweary head  
Love is from no distance calling, faithful as the rising sun  
Warms the bitter heart and heartache, till the east of Eden's gone  
Clouds of fear and misconception, wax and wane as if the moon  
So is in a sense forsaken, till the will of God be known  
As a songbird that is fallen, only to regain the sky  
From this frozen shadow valley, lay my sweary head
