

Raise Your Hands

Bon Jovi

You, you got a nasty reputation
We're in a sticky situation
It's down to me and you So tell me, is it true?
They say there ain't nobody better
Well, now that we're together
Show me what you can do You're under the gun
Out on the run
Gonna set the night on fire Out on the run
Under the gun
Playin' to win Raise your hands
When you want to let it go
Raise your hands
When you want to let a feeling show Raise your hands
From New York to Chicago
Raise your hands
From New Jersey to Tokyo Whoa, whoa
Raise your hands I, I've been out on the front line
Where you'll go down if you waste time
They'll walk all over you But I, I ain't here lookin' for surrender
I'll raise the flag, if you'll defend her
It's up to you You're under the gun
Out on a run
Gonna set the night on fire Out on the run
Under the gun
Playin' to win You got to raise your hands
When you want to let it go
Raise your hands
When you want to let a feeling show Raise your hands
From New York to Chicago
Raise your hands
From New Jersey to Tokyo Whoa, whoa
Raise your hands
Whoa, whoa
Raise your hands Alright, lets go! Raise your hands
Raise your hands Raise your hands
When you want to let it go
Raise your hands
And you want to let a feeling show Raise your hands
In New York to Chicago

Raise your hands
From New Jersey to TokyoWhoa, whoa
Raise your hands
Raise your hands
Raise your hands
