

Right Back At Ya (Pop Version)

Spice Girls

We're coming right back at you come on
This party's begun
Jump to it It's a brand new day
I've gotta feeling things are going my way
'Cause the girls are back in town
So don't look down
'Cause the groove won't let your feet touch the ground yeah No looking back
And you thought we wouldn't make it this far
So we proved you wrong again
Now's the time
We're coming right back with the brand new design
Feeling fine There's been tears along the way
But we're still the best of friends
Never needed to pretend
'Cause real friendship never ends We're coming right back at you come on
This party's begun
Jump to it 'cause the girls are coming round again
Right back at you this time
We're changing the vibe
Get with it 'cause the girls are coming back again
Right 'Cause the girls are coming back at you Now
We've had a taste of what we all can achieve
But we're coming back for more
We'll show you how
To turn your dreams into a reality
Stronger than before There's been tears along the way
But we never cried alone
The four of us have grown
And our friendship never ends We're coming right back at you come on
This party's begun
Jump to it 'cause the girls are coming round again
Right back at you this time
We're changing the vibe
Get with it 'cause the girls are coming back again We're coming right back at ya
No R-I-P
Not forgetting the days
When we were all wannabes
Spicing it up through and through
Through and through to the limit

They all try and dis us
But there ain't nothing in it
We started a trend now they all imitated
A new generation of spice we created
You all know who you are
We couldn't have done it without ya
So once again we're coming right back at ya There's been tears along the way
But we're still the best of friends
Never needed to pretend
Cause real friendship never ends We're coming right back at you come on
This party's begun
Jump to it 'cause the girls are coming round again
Right back at you this time
We're changing the vibe
Get with it 'cause the girls are coming back again We're coming right back at you come on
This party's begun
Jump to it 'cause the girls are coming round again
Right back at you this time
We're changing the vibe
Get with it 'cause the girls are coming back again We're coming right back at you come on
This party's begun
Jump to it 'cause the girls are coming round again
Right back at you this time
We're changing the vibe
Get with it 'cause the girls are coming back again
