

Shake Me

Cinderella

Alright, yeah

I met this girl around quarter to ten

We made it once, she said "Make me again"

She wrapped her love around me all night long

In the mornin' we were still goin' strong

Now let me tell ya, it sure feels good

First time I saw that girl I knew it would

Now let me tell ya, it sure felt right

No pullin' teeth, she didn't want to fight, she said

Shake me, all night, she said

Shake me, shake it, don't break it baby

Shake me, all night, she said

All night long

All night long baby

Screamed and scratched and rolled out of the bed

I never really got her out of my head

And now and then she makes those social calls

Gives me a squeeze, gets me kickin' the walls

Now let me tell ya, it still feels tight

And we were shakin' after every bite

I feel her comin' in the middle of the night

Screamin' higher

Shake me, all night, she said

Shake me, shake it, don't break it baby

Shake me, all night, she said

Shake me, oh yeah

All night, keep the fire burnin', 'cause we're doin' all right

All night, come on and shake it right

Shake me

Shake me

Shake me

Shake me

Shake me all night, she said

Shake me, shake it, don't break it baby

Shake me, all night, she said

Shake me, oh yeah

Shake me

Shake me, yeah

Shake me
Oh come on baby, baby
Shake me
Shake me
Shake me
