Persuasion

Soft Cell

My supermarket trolley
Glides around the shelves
Of frozen foods
My supermarket trolley
Glides around the shelves
Of pre-packed goods
It rattles an accompaniment
To the droning from the speakers
When I knock a jar (checkout 5)
I stand and stare oblivious as it shatters
(will the manager please go to checkout 5)Someone passes by
We near collide
She's silent but she's frantic
Can't figure out why she's bought so many useless items
(checkout 5, will the manager please go to checkout 5)
I can't figure out why I've bought so many useless items
(there is a problem at checkout 5)
I only wanted cigarettes
(will you investigate please)
I push my trolley further
(will you investigate please)
I glide around the frozen goods
Lost in here forever
Lost in here forever
Lost in here forever
Lost in here forever
Ever (ever)My arms do things oblivious of my wishes and my orders
(there is a problem at checkout 5
Will the manager investigate please)
The frantic woman has turned white
A hand upon her shoulder
Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more now

Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more nowI only hear the neutron sounds
By the cheap impersonators
And I out run my limitations
And I out run my limitations
Buy, buy
(checkout 5)
Buy more now
Buy, buy
(there is a disturbance at checkout 5)
Buy more now
Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more now
Buy (buy) buy (buy)
Buy more now
I only hear the neutron sounds
By the cheap impersonators
And I out run my limitations
And I out run my limitations
And I out run my limitations
And I out run my limitations
And I out run my limitations
And I out run my limitations
(I don't want any of them)
And I out run my limitations
(I can't afford all these things
I can't afford all these things)
And I out run my limitations
(I can't afford all these things)
And I out run my limitations
And I out run my limitations
And I out run my limitations
(I don't want any of them)
And I out run my limitations
(I don't want all these things)
And I out run my limitations
And I out run my limitations
(please, please, leave me alone)
And I out run my limitations

(leave me alone, leave me alone)
And I out run my limitations
Leave me alone
Leave me alone
Leave me alone
Please
I don't want them
I don't want them
I can't afford them
Leave me alone
Leave me alone
Leave me alone
Leave me alone
Leave me alone
(leave me alone
Leave me alone)
(can't afford them
Leave me alone
Leave me alone)
