Jesus Christ Is the Best Teacher

Christian Kalambaie

Jesus Christ is the Best teacher.

I have been places - and I have seen so much
I have learned a lot from various people
I am thankful -to know what I know
I am grateful - to be what I am
But I have come to one conclusion
Jesus Christ is the best teacher
That's why I sing

Chorus

Jesus Christ is the best teacher
Jesus Christ is the best master
He's got his way to teach you who you really are
He's got his way to teach how you owe to behave
He 's got his way
His way is to come to you - unite with you
So that you and Him can be one

Experiences - situations in life
Sometimes Very hard - full of tears
I am thankful - He has caused to grow
I m grateful- trials are precious than gold
But I've come to one conclusion
Jesus Christ is the best teacher
That's why I sing

Chorus x2
