

# Talkin' 'Bout You

## The Animals

Let me tell you about a girl I know  
I met her walking down Lowtown Street  
Well, she's so fine, well, I wish she was mine  
I get shook up every time we meet I'm talkin' 'bout you, nobody but you  
I do mean you now  
I'm just trying to get a message to you now Let me tell you about a girl I know  
I tell you now she looked so good  
Well, guys stood still at such a beautiful build  
She ought to be somewhere in Hollywood I'm talkin' 'bout you, nobody but you  
I do mean you now  
I'm just trying to get a message to you now Let me tell you about a girl I know  
I tell you now she looked so good  
Well, guys stood still at such a beautiful build  
She ought to be somewhere in Hollywood I'm talkin' 'bout you, nobody but you  
I do mean you now  
I'm just trying to get a message to you now
