(Intro)

Heâ€™s the best player in the game, itâ€™s just that simple, theirs nothing that Kobe canâ€™t do, he will defend you player, he will shoot from the perimeter, he will get all in your mug, he will do whatever it takes, he is the most complete basketball player in the game today, ball or not, he has an assassin mentality, I said this weeks, I said this when the trade went down, and Iâ€™ll repeat it again, who starvin more, for an NBA World Championship, more than Kobe Bryant, there is no one, this guy is HOLLYWOOD, â€•What separates Kobe from the pack.â€•, More than Kobe Bryant, there is no one.

Ok, Kobe doin work, two four on my shirt, he da greatest on da court, im da greatest on da verse, goin for the 4th ring like it was his first, gotta get da bling, do it for Kareem, two four so nice, my flow so mean, catch me at da game sitting next to ?. Ko Ko Kobe Bryant Nikes, purple gold strings, Ko Ko Kobe in da game dunkin on â€œThe Whole Teamâ€•, Ba Black Mamba, attack conquer, basketball beast, ra rap monster, crossover good, or turn around jumper, or just drive da lane, and dunk on dunkers, u kno where is goin, its goin down yo, this da Lake Show, but dont drown tho, I call him King Bryant, now let da crown show.
