Not Alone

Bernard Butler

Should I tell you why I feel so down
When all I've carried for days is the same old doubts?
Well, I'd tell you if I'd had a plan
Only you're one of those with your head in the sandWhile I don't feel so afraid
Maybe this is just some kind of phase
But I don't care about the wind in my face'Cos I'm not alone these days
No, I'm not alone these days, yes
I'm not alone, these days
No, I'm not alone, these days, yesCould I tell you how I hear those sounds?
Well, I've been roaming the streets
With my head in the clouds
I don't need to show you my heart'Cos all I need in my hands is an electric guitar
Well, I thought that you understood
That friends like these won't ever do me no good
'Cos I have never know the people I shouldBut I'm not alone these days
No, I'm not alone these days, yes
I'm not alone these days
No, I'm not alone, these days, yeah, yeah, yeah, yeahNo, I'm not alone, these days
No, I'm not alone, these days, yes
I'm not alone, these days
No, I'm not alone, these days, yesI'm not alone these days
(Well, I just thought that you could)
I'm not alone these days
(I just thought that you should)No, I'm not alone these days
(Sometimes you would stay with me)
Misunderstood
(I just thought that you knew)I'm not alone these days
(I just hope that you do, I just wanted you to stay with me)
Misunderstood
Maybe I misunderstood
Maybe I misunderstood
Maybe I misunderstood
