

Who Would Have Thought

Brian Mcknight

I fell in love on a very special day, this feeling will never go away
Now I can say that with you my love, I'll always stay
Look at me and tell me I'm not being deceived
'Cause right now this feeling is hard to believe Who would have thought it'd be this way?
Oh no, I never thought I'd fall in love on Christmas Day I can't believe that you are right here with me
The star on my Christmas tree, I wanna love you endlessly
And that's the way I'll always want it to be
Standing there when the light from the tree hits your eyes
I can see that I only want you and you're all that I need Who would have thought it'd be this way?
Oh no, I never thought I'd fall in love on Christmas Day
I never thought I'd fall in love on Christmas Day I never thought I'd fall on Christmas Day
Who would've thought I'd fall in love
On Christmas, Christmas Day, I'd fall in love
Who would have thought it'd be this way
Oh no, I never thought I'd fall in love on Christmas Day I know that Christ came down to endure my sins and
shame
And now my dear we fall in love on this very special day, on this day Hey, who would've thought it'd be this
way?
Oh no, I never thought I'd fall in love
I never thought I'd fall in love
I never thought I'd fall in love on Christmas Day
I never thought I'd fall in love on Christmas Day No, no, no, no, no
There's no place I'd rather be as long as it's you and me
No, no, no, no, no
Under this mistletoe, don't wanna ever go, oh
