

Black Labrador

David LeMair

Black Labrador
Black Labrador
Black Labrador

Iâ€™m the king of the world!

When a squirrel or rabbit sees me cominâ€™

Oooh

They turn around and they run away

My eyes are red cause my heartâ€™s on fire

Oooh

Iâ€™m on the chase all night and day

Yeah

Black Labrador
Black Labrador

And if your soulâ€™s in need of rescue

Come with me and Iâ€™ll show you the way.

â€™Cause if there were a reason for my existence

It would be to save the human race.

â€™Cause Iâ€™m a Black Labrador

Black Labrador

Yeah

Iâ€™m runninâ€™ Iâ€™m runninâ€™

Oooh

Iâ€™m runninâ€™ Iâ€™m runninâ€™

Runninâ€™ down the road

Here I come to save the day

Here I come

Get out of my way

Here I come to save the day

Here I come

Get out my way

â€™Cause Iâ€™m a Black Labrador

Yeah Iâ€™m a Black Labrador

Iâ€™m cominâ€™ to your neighborhood

Letâ€™s get it understood.

That I like to dress in black

Donâ€™t have a heart attack.

When you see me comin down the road

Runnin down the road

Here I come to save the day

Here I come

Get out of my way

Here I come to save the day

Here I come

Get out my way

â€™Cause Iâ€™m a Black Labrador!
