Breathe In Me

Tirshatha

Breathe in me
Breath of God
Live in me
Holy one
Breathe in me
Breath of God
Restore me once again
Renew my heart a fresh
That I may live for you again

Breathe in me
Breath of God
Live in me
Holy one
Breathe in me
Breath of God
Pour me out a blessing
Open up a window
Release a fresh anointing in me

ooh

I will be made whole
I will be set free
I know that I can live for you
if you breathe if you breathe in me

I will be made whole
I will be set free
I know that I can live for you
If you breathe in me if you breathe in me

REPEAT
please breathe in me

(Talking)

Go in Jesus in name REPEAT

Restore me once again REPEAT

Renew my heart a fresh REPEAT

that I may live for you again

That I will live for you again
