Moon Song

Bob Schneider

I like the sun
When it shines
On the moon
At nightI like the way
Way that you smile
When you feel
Just rightNa na na na na na na
Na na na na na na
Na na na na na na na
Na naI like the wind
When it blows
Me close
To youI like the way
That you hold
Me the way
You doNa na na na na na na
Na na na na na na
Na na na na na na na
Na na
UhhAnd I like the way
That you say
That you'll always
StayAnd I like the sun
When it shines
On the moon
This way
