

Moon Song

Bob Schneider

I like the sun
When it shines
On the moon
At night I like the way
Way that you smile
When you feel
Just right Na na na na na na na
Na na na na na na
Na na na na na na na
Na na I like the wind
When it blows
Me close
To you I like the way
That you hold
Me the way
You do Na na na na na na na
Na na na na na na
Na na na na na na na
Na na
Uhh And I like the way
That you say
That you'll always
Stay And I like the sun
When it shines
On the moon
This way
