

# The Big Medley

## Dream Theater

- ("Uncovered" show at Ronnie Scott's jazz club, London - 1/31/95)

(from the "A Change Of Seasons" ep) i. "In The Flesh?"

- Roger Waters (Pink Floyd - from the album "The Wall")

So you thought you might like to,

Go to the show.

To feel the warm thrill of confusion,

That space cadet glow.

Tell me is something eluding you, sunshine?

Is this not what you expected to see?

If you wanna find out what's behind these cold eyes,

You'll just have to claw your way through this disguise.

Lights...

Roll the sound effects...

Action...

ii. "Carry On Wayward Son"

- Kerry Livgren (Kansas - from the album "Leftoverture")

(Instrumental)

iii. "Bohemian Rhapsody"

- Freddie Mercury (Queen - from the album "A Night At The Opera")

So you think you can stone me and spit in my eye.

So you think you can love me and leave me to die.

Oh, baby, can't do this to me, baby,

Just gotta get out, just gotta get right outta here.

Iv. "Lovin', Touchin', Squeezin'"

- Steve Perry (Journey - from the album "evolution")

You make me weep and wanna die

Just when you said we'd try

Lovin', touchin', squeezin'

Each other

When I'm alone all by myself

You're out with someone else

Lovin', touchin', squeezin'

Each other

You're tearing me apart

Every, every day

You're tearin' me apart

Oh, what can I say?

You're tearin' me apart

It won't be long, no, until  
You're alone  
When you're lover, oh he hasn't  
Come home  
'cause he's lovin', oh he's touchin', he's squeezin'  
Another  
He's tearin' you apart  
Every, every day  
He's tearin' you apart  
Oh girl what can you say?  
'cause he's lovin', touchin',  
Another  
Now it's your turn, girl, to cry

V. "Cruise Control"

- Steve Morse (Dixie Dregs - from the album "Bring 'em Back Alive")  
(instrumental)

Vi. "Turn It On Again"

- Tony Banks, Phil Collins and Mike Rutherford  
(Genesis - from the album "Duke")

Turn it on, turn it on, turn it on again  
Turn it on, turn it on, turn it on again  
Turn it on, turn it on, turn it on again turn, turn it on, turn it on again
