

When You See Her

[**Scott Walker**](#)

When you see her, you'll know what I mean.

When you see her she's more than a dream.

She's my heaven, my paradise of love. When you see her, she's just my ideal,
she's too lovely, to truly be real.

She's a wonder, my paradise of love. And I know, when we're alone,
hey I'm so happy that she's my own.

Her smile is warm as May,
and I hope to say, we'll wed one day.

When you see her, you'll know what I mean.

When you see her, she's more than a dream.

She's my heaven, my paradise of love.

My paradise of love.

My paradise of love.
