

# Minding the Usher

## Dr. Dog

There's the wrong to the right  
There's the day to the night  
We're turning it off  
But it goes on  
There you are to the other  
There's the sky to the mountain  
Be still in the wind  
For it goes on  
And on  
Yeah it goes on and on, and on

I don't wanna make you mad  
I don't wanna make you at all  
We're minding the usher  
Move along  
And dirt was the man  
And his mouth was the river  
For she is the day  
As the dawn  
On and on, and on  
Yeah it goes on and on, and on

On and on, and on  
Yeah it goes on and on, and on
