Same nigga I don't change up, nah
Couple niggas hating on me since I came up
Got it sold about 100 blocks
New jewelry set, bought a hundred watches
Young rich nigga from the other side
Touch one of mine, you'll be ducking shotsI ain't never had no love, no love
For them niggas on the otherside, otherside
I ain't never had no love, no love
For them niggas on the otherside, otherside
I ain't never had no love, no love
For them niggas on the otherside, otherside
I ain't never had no love, no love
For them niggas on the otherside
No nigga, no nigga, no nigga, no nigga, no nigga

Fuck them niggas on the other sideJust a few niggas that I'll kill for
Other niggas I don't feel for
Niggas fucking 'round with the squad
Better off running through a steel door
Banana clip blow a seal off
Tap driver tell him peel off
Cashed out I could take a year off
She gotta take a molly in a pill form
Shorty get it on the floor
Took her on the road then she did it on the tour
From the sink then she did it on the floor
Give it to me like she did it all before
Hit your bitch with the Ray Rice
Jewelry looking funny in the daylight
Eyes open they ain't playing right
Still posted up whippin' game likeI ain't never had no love, no love
For them niggas on the otherside, otherside
I ain't never had no love, no love
For them niggas on the otherside, otherside
I ain't never had no love, no love
For them niggas on the otherside, otherside
I ain't never had no love, no love
For them niggas on the otherside
No nigga, no nigga, no nigga, no nigga, no nigga
Fuck them niggas on the other side
No nigga, no nigga, no nigga, no nigga, no nigga
Fuck them niggas on the other side
No nigga, no nigga, no nigga, no nigga, no nigga
Fuck them niggas on the other side
No nigga, no nigga, no nigga, no nigga, no nigga
Fuck them niggas on the other side
