## Somebody's Baby

## **Jackson Browne**

Well, just look at that girl with the lights comin' up in her eyes

She's got to be somebody's baby

She must be somebody's baby

All the guys on the corner stand back and let her walk on by She's got to be somebody's baby

She must be somebody's baby

She's got to be somebody's baby

She's so fineShe's probably somebody's only light

Gonna shine tonight

Yeah, she's probably somebody's baby, alrightI heard her talkin' with her friend

When she thought nobody else was around

She said she's got to be somebody's baby

She must be somebody's baby

'Cause when the cars and the signs

And the street lights light up the townShe's got to be somebody's baby

She must be somebody's baby

She's got to be somebody's baby

She's soShe's gonna be somebody's only light

Gonna shine tonight

Yeah, she's gonna be somebody's baby tonightI try to shut my eyes but I can't get her out of my sight I know I'm gonna know her but I gotta get over my fright

We'll, I'm just gonna walk up to her

I'm gonna talk to her tonightYeah, she's gonna be somebody's only light

Gonna shine tonight

Yeah, she's gonna be somebody's baby tonightShe's gonna be somebody's only light

Gonna shine tonight

Yeah, she's gonna be somebody's baby tonightGonna shine tonight, make her mine tonight

Gonna shine tonight, make her mine tonight

Gonna shine tonight, make her mine tonight
