Miserable At Best

Mayday Parade

Katie, don't cry, I know
You're trying your hardest
And the hardest part is letting, go
Of the nights we shared
Ocala is calling and you know it's haunting
But compared to your eyes, nothing shines quite as bright
And when we look to the sky, its not mine, but i want it so
Let's not pretend like you're alone tonight
(I know he's there and)
You're probably hanging out and making eyes
(while across the room, he stares)
I bet he gets the nerve to walk the floor
And ask my girl to dance, she'll say yes
Because these words were never easier for me to say
Or her to second guess
But I guess
That I can live without you but
Without you I'll be miserable at best
You're all that I hoped I'd find
In every single way
And everything I could give
Is everything you couldn't take
Cause nothing feels like home, you're a thousand miles away
And the hardest part of living
Is just taking breaths to stay
'Cause I know I'm good for something
I just haven't found it yet
But I need it
So, let's not pretend like you're alone tonight
(I know he's there and)
You're probably hanging out and making eyes

(while across the room, he stares)
I bet he gets the nerve to walk the floor
And ask my girl to dance, she'll say yes
Because these words were never easier for me to say
Or her to second guess
But I guess
That I can live without you but

Without you I'll be miserable at best
ladada ladada ladadaoh ohhh
And this will be the first time in a week
That I'll talk to you
And I can't speak
Been three whole days since I've had sleep
'Cause I dream of his lips on your cheek
And I got the point that I should leave you alone
But we both know that I'm not that strong
And I miss the lips that made me fly
So let's not pretend that you're alone tonight
(I know he's there and)
You're probably hanging out and making eyes
(while across the room, he stares)
I bet he gets the nerve to walk the floor
And ask my girl to dance, she'll say yes
Because these words were never easier for me to say
Or her to second guess
But I guess
That I can live without you but
Without you I'll be miserable
And I can live without you
But without you I'll be miserable
And I can live without you but
Oh, without you I'll be miserable at best
