Right Here

Miley Cyrus

I'll be right here where you need me

Anytime just keep believin'

And I'll be right hereIf you ever need a friend

Someone to care and understand

I'll be right hereAll you have to do is call my name

No matter how close or far away

Ask me once and I'll come, I'll come runnin'And when I can't be with you dream me near

Keep me in your heart and I'll appear

All you gotta do is turn around

Close your eyes, look inside

I'm right hereIsn't it great that you know that

I'm ready to go wherever you're at

Anywhere I'll be thereAll you have to do is call my name

No matter how close or far away

Ask me once and I'll come, I'll come runnin'And when I can't be with you dream me near

Keep me in your heart and I'll appear

All you gotta do is turn around

Close your eyes, look inside

I'm right hereWhenever you need me

There's no need to worry

You know that I'm gonna be

Right here! Ask me once and I'll come, I'll come runnin' And when I can't be with you dream me near

Keep me in your heart and I'll appear

All you gotta do is turn around

Close your eyes, look inside

I'm right here, oh yeah yeah, I'm right here
