

Love Letter To Japan (Ivan Demsoff Remix)

The Bird and the Bee

From the west to the east I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet
All the gifts you have given me
The patience and the peace
Cherry blossoms and the candy
I am yours, I am yours
For as long, for as long as you will have meDearest one, I had a dream
I mouthed the words
The sound came out
I spoke to you in Japanese
Oh, my love I cannot see, I heard your name
I know at once there was no place I'd rather be
All at once there was no place that I would rather beFrom the west to the east I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet
All the gifts you have given me
The patience and the peace,
Cherry blossoms and the candy
I am yours, I am yours
For as long, for as long as you will have meI packed my bag, I'm on my way
I am prepared for any season
I am prepared to stay
Here is my heart, my beating heart
Oh, how I'm longing for this love affair to start
How I'm longing for this love affair to finally startFrom the west to the east I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet
All the gifts you have given me
The patience and the peace
Cherry blossoms and the candy
I am yours, I am yours
For as long, for as long as you will have meFrom the west to the east I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feetMy beloved, oh my sweet
All the gifts you have given me
The patience and the peace,
Cherry blossoms and the candy
I am yours, I am yours

For as long, for as long as you will have me
