

I Feel Like Dying

Teen Suicide

Falling, with you
Falling, with you

I feel like dying
I can't stop crying
Over you
Ooooooooooh

Hold me tight
With you
For tonight
Because I ooooooh

I feel like dying
I can't stop crying
Over you
Ooooooooooh

I'm crying, I'm crying
All the time
Ooooooooooh
I'm crying, I'm crying
Ooooooooooh

Falling, with you
Falling, with you

I feel like dying,
I can't stop crying
Over you
