

# Suburban Relapse

## Siouxsie & The Banshees

I'm sorry that I hit you  
But my string snapped  
I sorry I disturbed your cat-nap  
But whilst finishing a chore  
I asked myself "what for"  
Then something snapped  
I had a relapse, a suburban relapse

A relapse, relapse

I was washing up the dishes  
Minding my own business  
When my string snapped  
I had a relapse, a suburban relapse

A relapse, relapse

Should I throw things at the neighbours?  
Expose myself to strangers?  
Kill myself or you?  
Now, memory gets hazy  
I think I must be crazy  
But my string snapped  
I had a relapse, a suburban relapse  
A relapse, relapse

Now, memory gets hazy  
I think I must be crazy  
But my string snapped  
I had a relapse, a suburban relapse  
A relapse, relapse

A suburban relapse  
A suburban relapse  
A relapse  
Relapse  
Relapse  
Relapse, relapse, relapse  
Relapse

A relapse
