

# Last Train

## Danakil

I took the Last Train  
Did it leave from my brain?

I took the Last Train  
And I crossed over the rain  
I took the Last Train

...

I took the Last Train  
Destroying this Babylon chain  
What was it just to escape  
To this new team of policemen?  
'cause I was walking down  
And I was shot down  
Why?  
Because I was simply smoking my joint  
Impossible to live in peace in my town  
They can't remember that we burn them laws

...

J'ai pas encore fini pas le temps
