Dead Flowers

Midnight Youth

In this life we're tested and tainted and only some make it through
But we see hope in this Garden of Eden and I'll never give it up, noSweet Renee she was destined for me, we had a road to drive on
But I let her sway from the headlights and I had to give her upSo I gave her - Dead Flowers, and ran away, Dead Flowers, they hit me in the wrong wayJack and Jill they went climbing that mountain, they went to hold hands
But by the time they had got it together, the view said to give it upCos they saw - Dead Flowers, and ran away, Dead Flowers, they hit me in the wrong way
They hit me in the wrong way...Now all these failures mean something, my lonely heart is a mess
All these lows have hardened my soul, but is there time for me yet?
To trust my mother was taken, for a cause so bright and true
Will you give me some time to mourn, with an angel like you?
All I want in my resting place let my roots unfurl
Well all at once I knew that I had, all at once I knew that I had hopeI'll never give up, I'll never give it up
