

# Rabbits

**Ross Brown**

See the light in the distance  
Ten seconds from sleep  
If you blink, you could miss it  
Voluntarily  
If it's home that you're missing,  
Better call the police  
Hopelessly  
Lost at sea  
The holes we dig  
To survive  
Like rabbits we run

Gonna join the resistance  
Gonna tighten their leash  
Try and find some persistence  
Temporarily  
If it's home that you're missing,  
Then rev up your speed  
Hopelessly  
Lost at sea  
The holes we dig  
To survive  
Like rabbits we run  
Like rabbits we run x4
