Everywhere (Live in Cologne)

William Fitzsimmons

Can you hear me calling
Out your name
You know that I'm falling
And I don't know what to say

I'll speak a little louder
I'll even shout
You know that I'm pround
And I can't get the words out

Oh I
I wanna be with you everywhere
Oh I
I wanna be with you everywhere

Somethingâ€™s happening
Happening to me
My friends say Iâ€™m acting so peculiarly

Câ€™mon baby
We better make a start
You better make it soon
Before you break my heart

Oh I
I wanna be with you everywhere
Oh I
I Wanna be with you everywhere

Can you hear me calling
Out your name
You know that lâ€™m falling
And I donâ€™t know what to say

Come along baby
We better make a start
You better make it soon
Before you break my heart

Oh I
I wanna be with you everywhere
Oh I
I wanna be with you everywhere
Be with you everywhere
