Oh, Hell

Somo

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control

What did what did
What did I do
Seriously where are my shoes
I don't even know
How I got in this room
All I know is
We had a little bit too
Much to drink
And I think she did too
So I'm just gon' lay here
Until I can move
Paralyzed in this bed with a girl
That I just met
And I Can't even remember base 2

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control

Oh my head hurts I might be dying

But there's no cryin'
With a pretty girl beside me
I'd look dumb if she woke up
'Cause I'd be lying
If I said I knew her name
Is it Miley or Kiley
At least I woke up first
It's time that I leave
I still got a puzzle to solve
So pass the I.B.
I swear the next time I go out
I'll leave my I.D.
'Cause I'm never drinkin again
Yeah I'll say it again

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control

Woah yeah I've said it before
Woah yeah I'll say it again
I'm never drinkin' again
I'm never drinkin' again
I'm never drinkin' again
I'm never drinkin' again

Woah yeah I've said it before
Woah yeah I'll say it again
I'm never drinkin' again
I'm never drinkin' again
I'm never drinkin' again
I'm never drinkin' again

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail

Head spinnin' out of control

Oh Hell
What did I do last
Oh well
Sittin' in this bed like a cold jail
Head spinnin' out of control
