

# Real (feat. Jack)

## Years & Years

I broke my bones  
Playing games with you  
Tired by fun,  
It makes me blue Oh, I  
I think I'm into you  
How much do you want it too  
What are you prepared to do  
I think im gonna make it worse  
I talk to you but It doesn't work  
I touched you but it starts to hurt  
What have I been doin wrong  
Tell me what it is you want  
Don't know what it is you want  
Don't know what it is you want Oh I think that I if have been enough for you  
I'd be better. Would I be good?  
And I'll do what you like if you'll stay the night  
You tell me don't think you should You do it boy, well  
Love, if I were to let you go  
Love, if I were to let you go  
Love, if I were to let you go  
Love, if I were to let you go Oh it's enough to feel better  
If I could I itch all night  
I Itch for you  
You're just my type  
What's a boy to do.  
Oh, I  
I think I'm into you  
How much do you want it too  
What are you prepared to do  
I think I'm gonna make it worse  
I talk to you but It doesn't work  
I touched you but it starts to hurt  
What have I been doin' wrong Tell me what it is you want  
Tell me what it is you want  
Tell me what it is you Oh I think that I if have been enough for you  
I'd be better. Would I be good?  
And I'll do what you like if you'll stay the night  
You tell me don't think you should You do it boy, well  
Love, if I were to let you go

Love, if I were to let you go  
Love, if I were to let you go  
Love, if I were to let you go Oh it's enough to feel better  
If I could Yeah I if had been enough for you  
Would I be better. Would I be good?  
And I'll do what you like if you'll stay the night  
You tell me don't think you should  
I think you should Oh love, if I were to let you go  
Love, if I were to let you go  
Love, if I were to let you go  
Love, if I were to let you go Oh it's enough to feel better  
If I could
