

Smile

Vitamin C

Alright, alright, first of all
When you wake up in the evenin' and the day is short
Find yourself complainin' about the things you ain't got
Never goes just the way you want it to
Cliche of the day, c'est la vie, that's just life
It ain't easy, it's so tough, it ain't easy
(Whatcha gonna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha gonna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha gonna do, say, whatcha gonna do?)
(And another thing)
You can say that I'm a dreamer and you thinks it's all cool
Preaching about the better life I learned in school
But you get what you give in this life that we live
And all that you do will come back to you
Life, it ain't easy, it's so tough, it ain't easy
(Whatcha wanna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha wanna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha wanna do, say, whatcha gonna do?)
Yo, when thing's isn't right, there's not need to fight
From your of life
Please be polite
Even when you're hurtin' don't forget to smile
Give love to our nation, big or small
When you do good, you'll get your reward
United we stand, divided we fall
Put a smile on your face and greet one and all
Life, it ain't easy, oh, it's so tough, it ain't easy

(Whatcha wanna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha wanna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha wanna do, say, whatcha gonna do?)
(Whatcha wanna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha wanna do, say, whatcha gonna do?)
Put on a smile on your face
Make the world a better place
Put on a smile on your face
(Whatcha wanna do, say, whatcha gonna do?)
People love you when you smile
And hate you when you screw
Lots of happiness, rest to know we are wishing you
If you come from Jamaica or Honolulu, yeah
Keep a smile on your face
I'll see the good that you do, let me say you do
Smile and everything will be fine
Don't lose all the vibe, takin' me inside
Love it when you smile, you look beautiful like that
Muggin' from top, your dimples are so cute
I love the happiness and smile
