## Day26

Crazy!

*1st Verse*
Girl what do you want me to do?
Do you want me to stay? Or do you want me to wait?
I'm not a pendulum for you to sway
Sometimes you're dark as night, but sometimes you're bright as day
So which extreme do you wanna choose?
North, South, or East or West you've done the worst I'm real perplexed
What you have done to my mental state,
I'm goin through an episode watch out I think it's too late

*Chorus*
Crazy!
I think I lost my mind today
But to my mistake, I can't get it straight
Cause you betrayed me
and baby your thoughts are just a disarray
she can't make up her mind
I swear this is my last time
See I can't control her
I guess she's Bi-polar

*2nd Verse*
Girl if you knew just how much I love you
But the way you been acting lately got me questioning if it's true
But you wouldn't know nothin about that boo
Hold that thought I'mma throw you a clue
Maybe you'll see my point of view
My diagonsis of the illness that effects you
Could put our lives at stake
Look what you've done to my mental state
I'm going through an episode
Watch out I think it's too late

*Chorus*
Crazy!
I think I lost my mind today
But to my mistake, I can't get it straight
Cause you betrayed me

and baby your thoughts are just a disarray
she can't make up her mind
I swear this is my last time
See I can't control her
I guess she's Bi-polar

*Bridge*
She's suffering right now
She's suffering right now
She's sweet but homie is she bi?
Got me wondering why?
Why, why why
Is shorty bi, bi, bi?
She's suffering right now
She's suffering right now
I'm not gone tell a lie
I wanna be your guy
You gotta hit the road before I loose control bye...

*Chorus*
Crazy!
I think I lost my mind today
But to my mistake, I can't get it straight
Cause you betrayed me
and baby your thoughts are just a disarray
she can't make up her mind
I swear this is my last time
See I can't control her
I guess she's Bi-polar

And she's suffering for me
And I don't know what to do
Girl what's wrong with you?
One Second you're loving me baby
Next second you don't want me baby...
