Deliver Me

The Hooters

Zig zag shadows on the floor
From the window to the door
Never felt like this before
Zig zag connecting me to you
After all that we've been through
If it was love I never knew

But oh how I needed you tonight
And no I ain't looking for your sympathy
I just can't take living like some refuge
Oh oh oh deliver me

Zig zag look upon my face
To another time another place
Another world in any case
Zig zag painting on the wall
Andy Worehall I recall
You and me and that was all

And oh how I needed you tonight
And no I ain't looking for your sympathy
I just can't take living like some refuge,
Oh oh oh deliver me

Oh oh oh deliver me
Oh oh oh deliver me
Oh oh oh deliver me
Oh oh oh deliver me

Zig zag patterns of our days
Like a straight line through a maze
Love it comes but never stays
Zig zag deliver me to you
After all that we've been through
I didn't know how much I knew

And oh how I needed you tonight
And no I ain't looking for your sympathy
I just can't take living like some refuge,

Oh oh oh deliver me

Oh oh oh deliver me
Oh oh oh deliver me
Oh oh oh deliver me
Oh oh oh deliver me

I just can't take living like some refuge,
Oh oh oh deliver me, deliver me
