

# Dead Inside

## Muse

Dead inside!  
Revere a million prayers  
And draw me into your holiness  
But there's nothing there  
Light only shines from those who share  
Unleash a million drones  
Confine me then erase me babe  
Do you have no soul?  
It's like it died long ago Your lips feel warm to the touch  
You can bring me back to life  
On the outside you're ablaze and alive  
But you're dead inside! You're free to touch the sky  
Whilst I am crushed and pulverized  
Because you need control  
Now I'm the one who's letting go  
You like to give an inch  
Whilst I am giving infinity  
But now I've got nothing left  
You have no cares and I'm bereft Your skin feels warm to caress  
I see magic in your eyes  
On the outside you're ablaze and alive  
But you're dead inside! Feel me now, hold me please  
I need you to see who I am  
Open up to me, stop hiding from me  
It's hurting babe  
Only you can stop the pain  
Don't leave me out in the cold  
Don't leave me out to die  
I gave you everything  
I can't give you anymore  
Now I've become just like you My lips feel warm to the touch  
My words seem so alive  
My skin is warm to caress  
I'll control and hypnotize  
You've taught me to lie without a trace  
And to kill with no remorse  
On the outside I'm the greatest guy  
Now I'm dead inside!
