I Don't Care

Skye Sweetnam

Wrap me up so superficial
Tied up nicely with a bow
Don't I look pretty?
Doesn't bark bites really hard
Superficial
You make your mark
Cover up the scar
Superficial
What's wrong with me
What's wrong with me
What's wrong with me you say
I say nothing
I say nothing
I was meant to be this way
Punishment must suit the crime
I'm wasting all your precious time
But I don't care
I just don't care
Screaming out for your attention
Ignoring every single word
Will I ever be heard
A bitter taste, I can't erase
Your attention
I'm fighting for a hopeless case
Your attention
What's wrong with me
What's wrong with me
What's wrong with me you say
I say nothing
I say nothing
I was meant to be this way
Punishment must suit the crime
I'm wasting all your precious time
But I don't care
I just don't care
I just don't care
As the world tilts milk is split
But I'm not gonna cry
No use fighting gravity

So I'm not gonna try
What's wrong with me
What's wrong with me
What's wrong with me you say
I say nothing
I say nothing
I was meant to be this way
Punishment must suit the crime
I'm wasting all your precious time
But I don't care
I just don't care
What's wrong with me
What's wrong with me
What's wrong with me you say
I say nothing
I say nothing
I was meant to be this way
Punishment must suit the crime
I'm wasting all your precious time
But I don't care
I just don't care
I just don't care
