

Goodbye (Live at the O2 Arena)

Spice Girls

No no no no
No no no no
Now listen little child, there will come a day
When you will be able, able to say
Never mind the pain, or the aggravation
You know there's a better way for you and me to be
Look for the rainbow in every storm
Fly like an angel, heaven sent to me Goodbye my friend
I know you're gone, you said you're gone
But I can still feel you here
It's not the end
Gotta keep it strong
Before the pain turns into fear
So glad we made it
Time will never change it, no no no
No no no Just a little girl, big imagination
Never letting no one take it away
Went into the world (into the world)
What a revelation
She found there's a better way
For you and me to be
Look for the rainbow in every storm
Find out for certain love's gonna be there for you
You'll always be someone's baby Goodbye my friend
I know you're gone, you said you're gone
But I can still feel you here
It's not the end
Gotta keep it strong
Before the pain turns into fear
So glad we made it
Time will never change it, no no no
No no no no
You know it's time to say goodbye
