

# Rosie

John Mayer

Rosie

Come down and get the door for me  
I'm drunk again, remember when we used to be?

Rosie

I know you said no more for me  
But that was all before this dream that just came to me Don't leave me here

Under the January rain

Come let me in

Take my heart by the hand  
And lead me back to your room  
And sing me your tune

Rosie

You don't have to hide his things  
I'm fine with all the sorrow that tomorrow brings

Whoa-oh-oh, Rosie

Don't you know my love is true  
'Perdon' and 'lo siento', see

I learned those words for you Don't leave me here

Under the January rain

Come let me in

Take my heart by the hand  
And lead me back to your room  
And sing me your tune

Don't leave me here

Under the January rain

Come let me in

Take my heart by the hand  
And lead me back to your room  
And sing me your tune
