

# Free Ride

[Rick Derringer](#)

The mountains are high, the valleys are low  
You are confused by which way to go  
I know there's someone who'll give you a hand  
Lead you into the promised land, yeah  
Come on and take a free ride  
Come on and get by my side  
Come on and take a free ride  
All over the country I've seen it the same  
Nobody's winning at this type of game  
They got to do better they got to take aim  
All of the answers are coming from within  
Come on and take a free ride  
Come on and get by my side  
Come on and take a free ride  
Come on  
Come on and take a free ride  
Come on and get by my side  
Come on and take a free ride, oh yeah  
Come on and take a free ride  
Come on and take a free ride
