Unbelievable

Keke Wyatt

(This is a DPS production)
Gimme a beat, alright
Gimme a beat, ok
Gimme a beat, alright
Gimme a beat, ok
Gimme a beat, alright
Gimme a beat, ok
Gimme a beat, alright
I'm gonna have some fun tonight
Lookin' for a girl tonight
Lookin' for a perfect personality
And she gotta have a freak side, I wanna know
If you are curious, then I wanna get serious
If you are feelin' this, then this is what I need
Girl let me be your everything
Baby all that you need and more
Shakin' off all this drama in the
And kickin' out the door, I wanna know
If you are curious, then I wanna get serious
If you are feelin' this, then come to me, so unbelievable
So unbelievable, (that's right) your love is incredible
If you're available, girl this is what I need
(Baby just let me know)
So, so unbelievable, your love is incredible
If you're available, so unbelievable (so, so, so, so)
I'm gonna have some fun tonight, and I wanna get sexual
You can push your lips ontop, all over me
And you know that I like it slow, I wanna know
If you are curious, then I wanna get serious
If you are feelin' this, then this is what I
Gonna make your dreams come true tonight
'Cause baby I'm feelin' you
You can do just what you want, just what you like
'Cause it's all about me and you, I wanna know
If you are curious, then I wanna get serious
If you are feelin' this, then come to me, so unbelievable
So unbelievable, (that's right) your love is incredible
If you're available, girl this is what I need
(Baby just let me know)

So, so unbelievable, your love is incredible
If you're available, so unbelievable (so, so, so, so)
So unbelievable, (that's right) your love is incredible
If you're available, girl this is what I need
(Baby just let me know)
So, so unbelievable, your love is incredible
If you're available, so unbelievable (so, so, so, so)
The damnest thing, I wanna buy you all the finest things
Big house on the hill, super-size your rings
My mind's on my money, and my money's on my mind
Get you up outta the ghetto I just want you to shine
So don't be tellin' your girls my money don't stretch
And don't be sayin' 112 don't make hits
'Cause you know I moved up from the five to the six
When I ship to the radio, I know they gon' like this
Sayin' DefJam is like sayin' no stress man
TV's an' champagne in the stretch, thanks man
Pour a glass for yourself and pass it to the next man
Takin' trips from Atlanta to the Cayman Islands
Forget about your problemslay back, catch a tan
Know we livin' it up, chillin' in the sand
Catch me off in the club, spend a couple grand
Unbelievable?
So unbelievable, (that's right) your love is incredible
If you're available, girl this is what I need
(Baby just let me know)
So, so unbelievable, your love is incredible
If you're available, so unbelievable (so, so, so, so)
So unbelievable, (that's right) your love is incredible
If you're available, girl this is what I need
(Baby just let me know)
So, so unbelievable, your love is incredible
If you're available, so unbelievable (so, so, so, so)
