# Sideshow (1)

## Gothminister

Creepy freaks that I used to mock
They took revenge, I woke up in a shock
I'm one of them now
My limbs are gone
And my eyes turned inside outI'm on a slideshow
So won't you please leave me alone
I'm on a slideshow
Just take a peek and then be gone
I hope you'll like tonight's show
It's a frightshow
I'm on a slideshow
I'm screaming please leave me alone
I'm on a slideshow
Just take a peek and then be gone
I hope you'll like tonight's show
It's a frightshow
A rising star in this hell on wheels
It's so repellent, now it's my life for real
I comprehend now,
My head's on a stake
And my eyes are open wide
You always fear what you can't relate to
But every night I hear screams they've made me
One of them now
My own aversion has become my familyI'm on a slideshow
I'm screaming please leave me alone
I'm on a slideshow
Just take a peek and then be gone
I hope you'll like tonight's show
It's a frightshow
It is all a mistake now;
I'm not your animal
I've seen all the "Single O's"
And I know I don't belong
"They will love you in the end
They will treat you like a friend"
Will I end my days, on this carnival?I'm on a slideshow
So won't you please leave me alone
I'm on a slideshow

Just take a peek and then be gone
I hope you'll like tonight's show
It's a frightshow
I'm on a slideshow
I'm screaming please leave me alone
I'm on a slideshow
Just take a peek and then be gone
I hope you'll like tonight's show
It's a frightshowSlideshow, you know that I'll stay in here forever
Slideshow, you know that I'll stay in here forever
