

Three Kisses Of Love

Bee Gees

[Chorus]

Kiss me once, oh yeah, baby

Kiss me twice, oh yeah, crazy

Kiss me three times

The three kisses of love, oh yeah Morning, noon, and at night

Never gonna let you out of sight

Kiss me three times

The three kisses of love Tell me that you really care

Run your fingers through me hair

Kiss me once

Kiss me twice

And I'm in paradise [Chorus] Tell me that you really care

Run your fingers through me hair

Kiss me once

Kiss me twice

And I'm in paradise [Chorus] The three kisses of love
