# Headlong Flight

## Rush

All the journeys of this great adventure;
It didn?t always feel that way.
I wouldn?t trade them because I made them
The best I could, and that?s enough to say.
Some days were dark;
I wish that I could live it all again!
Some nights were bright;
I wish that I could live it all again!
All the highlights of that headlong flight,
Holding on with all my might
To what I felt back then?
I wish that I could live it all again!
I have stoked the fire on the big steel wheels,
Steer the airship right across the stars.
I learned to fight, I learned to love; I learned to feel!
Oh, I wish that I could live it all again!
All the treasures, the gold and glory:
It didn?t always feel that way.
I don?t regret it; I?ll never forget it.
I wouldn?t trade tomorrow for today.
Some days were dark;
I wish that I could live it all again!
Some nights were bright;

I wish that I could live it all again!
I have stoked the fire on the big steel wheels,
Steer the airship right across the stars.
I learned to fight, I learned to love; I learned to feel!
Oh, I wish that I could live it all again!
The days were dark
And the nights were bright?
I would never trade tomorrow for today?
All the highlights of that headlong flight,
Holding on with all my might?
Some days were dark;
I wish that I could live it all again!
Some nights were bright;
I wish that I could live it all again!
I have stoked the fire on the big steel wheels,

Steer the airship right across the stars.
I learned to fight, I learned to love; I learned to feel!
Oh, I wish that I could live it all again!
I have stoked the fire on the big steel wheels,
Steer the airship right across the stars.
I learned to fight, I learned to love; I learned to steal!
Oh, I wish that I could?
Oh, I wish that I could live it all again!
